

Burning Love

Written by Dennis Linde, made famous by Elvis Presley

(Intro)

|CCCC| |FFGG| |CCCC| |CCCC|

C F G C C
Lord a-mighty, I feel my temperature rising
C F G C C
Higher, higher, it's burning through to my soul
C F G C C
Girl, girl, girl, you gonna set me on fire
C F G C C
My brain is flaming, I don't know which way to go

(Chorus) Am G F
'Cause your kisses lift me higher
Am G F
Like the sweet song of a choir
Am G F G C C
You light my morning sky with burning love

C F G C C
Ooh, ooh, ohh, I feel my temperature rising
C F G C C
Help me, I'm flaming, I must be a hundred and nine
C F G C C
Burning, burning ... burning and nothing can cool me
C F G C C
I just might turn into smoke, but I feel fine

(Repeat Chorus)

C F
I'm just a hunk, a hunk of burning love (x4) C C

C F G C C
It's coming closer, the flames are now licking my body
C F G C C
Won't you help me, I feel like I'm slipping away
C F G C C
It's hard to breathe ... my chest is a-heaving
C F G C C
Lord have mercy, I'm burning a hole where I lay

(Repeat Chorus)

C F
I'm just a hunk, a hunk of burning love (x4) C*
