

Fried Potaters by the Hammer Sisters

D A7
Well I guess I like everything from beans to fresh tomaters
D
I like corned beef and cabbage too but I just love potatoes
G
Now maybe you like buns and cake with lots of chocolate icing
A7 D
But I just want potatoes fried now don't that sound enticing?

CHORUS:

D A7
Fried potatoes they're always on my mind
D
Fried potatoes I eat 'em all the time
G
I love them in the morning, I love them late at night
A7 D
I never eat fried chicken when potatoes are in sight

D A7
Now take a plate of vegetables with collards and tomaters
D
Don't that sound good but better still just add some fried potatoes
G
I got a gal I love to date and every time I date her
A7 D
We always head for Joe's Café and eat some fried potatoes

CHORUS x2
