

Hesitation Blues

Look down the road just as far as I could see
A man had my woman and the blues had me
Tell me how long
Do I have to wait?
Oh can I get you now, or must I hesitate?

I ain't no doctor but the doctor's son
Can't do the doctor till the doctor's done
Tell me how long
Must I have to wait?
Can I get you now, or must I hesitate?

I got the hesitation stockings, the hesitation shoes
Oh my Lord I got the hesitation blues
Tell me how long
Do I have to wait?
Can I get you now, or must I hesitate?
Can I get you now, or must I hesitate?

Well a nickel is a nickel, and a dime is a dime
I need a new girl, she won't mind
Tell me how long do I have to wait?
Can I get you now, or must I hesitate?

Eagle on the dollar says "In God we trust"
You say you want a man, you see that dollar first
Tell me how long do I have to wait?
Can I get you now, or must I hesitate?

If the river was whiskey and I was a duck
You know I'd swim to the bottom, Lord, and never come up
Tell me how long do I have to wait?
Can I get you now, or must I hesitate?

Rocks in the ocean, Lord, fish in the sea
Knows you mean the world to me
Tell me how long do I have to wait?
Can I get you now, or must I hesitate?

Got them hesitation stockings, got them hesitation shoes
Lord I got them hesitation blues
Tell me how long do I have to wait?
Can I get you now, or must I hesitate?
Can I get you now, or must I hesitate?
