(sweet lap steel intro)

          C                          G  
I saw her leave the luau  
          D                          G  
with the one who parked the cars  
          C                          G  
and the fat one from the swimming pool,  
          D                          G  
they were swaying arm in arm.  
          C                          G  
I could hear their ukuleles playing  
          D                          G  
down by the sea.  
          C                          G  
She's gone with the hula hula boys,  
          D                          G  
she don't care about me.  
          C                          G  
She's gone with the hula hula boys,  
          D                          G  
she don't care about me.

They're singing:

          C                          G  
Ha'ina 'ia mai ana ka puana  
          D                          G  
Ha'ina 'ia mai ana ka puana  
          C                          G  
Ha'ina 'ia mai ana ka puana  
          D                          G  
Ha'ina 'ia mai ana ka puana

          C                          G  
Yesterday she went to see  
          D                          G  
the Polynesian band,  
          C                          G  
but she came home with her hair all wet  
          D                          G  
and her clothes all filled with sand.

C G  
 I didn't have to come to Maui  
 D G  
 to be treated like a jerk.  
 C G  
 How do you think I feel  
 D G  
 when I see the bellboys smirk?  
 C G  
 And I can hear their ukuleles playing  
 D G  
 down by the sea.  
 C G  
 She's gone with the hula hula boys,  
 D G  
 she don't care about me.  
 C G  
 She's gone with the hula hula boys,  
 D G  
 she don't care about me.

They're singing:

C G  
 Ha'ina 'ia mai ana ka puana

D G  
 Ha'ina 'ia mai ana ka puana

C G  
 Ha'ina 'ia mai ana ka puana

D G
