 I wish I had my picture on the Rolling Stone today
 C Fadd9 C Fadd9
 And I wish that the Enquirer would spread a rumor I was gay
 C Fadd9 C Fadd9
 I wish I had some buddies, some movie stars and such
 C Fadd9 C Fadd9
 Cause I probably wouldn't worry about the two of us as much
 F G C Am
 And I'd spend all my money on caviar and champagne
 F G F G C Fadd9 C Fadd9
 And I would not remember how you broke my heart today

C Fadd9 C Fadd9
 I wish I had a super model so skinny and so wild
 C Fadd9 C Fadd9
 And a waitress in Nevada who says she's carrying my child
 C Fadd9 C Fadd9
 I'd drive down Sunset Boulevard, my hair blowin' in the wind
 C Fadd9 C Fadd9
 And I'd stop at fancy restaurants and they'd finally let me in
 F G C Am
 And I'd spend all my money on caviar and cocaine
 F G F G C Fadd9 C Fadd9
 And I would not remember how you broke my heart today

C Fadd9 C Fadd9
 Yeah, I wish I had my picture with the Rolling Stones today
 C Fadd9 C Fadd9
 And I wish that the World Weekly News would spread a rumor I was gay
 C Fadd9 C Fadd9
 I wish I knew a movie star, someone like Charlie Sheen
 C Fadd9 C Fadd9
 Cause if he'd hang out with Kato Kaelin, I guess he'd hang out with me
 F G C Am
 And I'd spend all my money on caviar and Rogaine
 F G F G C Fadd9 C Fadd9 C*
 And I would not remember how you broke my heart today
