

Whiskey Before Breakfast

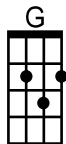

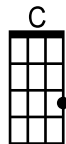

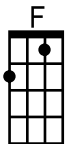

Early one day the sun wouldn't shine

I was walking down the street not feeling too fine

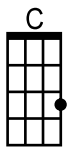

I saw two men with a bottle between 'em

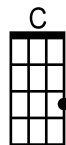

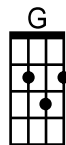

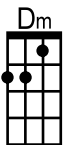

And this was the song that I heard them singing

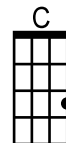

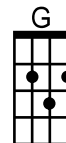

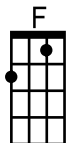

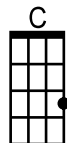

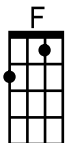

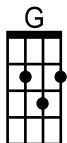

CHORUS:

Lord preserve us and protect us,

We've been drinking whiskey 'fore breakfast

C
Well I stopped by the steps where they was sitting
F C G C
And I couldn't believe how drunk they were getting
C
I said "old men, have you been drinking long?"
F C G C
They said "just long enough to be singing this song"

CHORUS

C
Well they passed me the bottle and I took a little sip
F C G C
And it felt so good I just couldn't quit
C
I drank some more and next thing I knew
F C G C
There were three of us sitting there singing this tune

CHORUS

C
One by one everybody in the town
F C G C
They heard our ruckus and they all came down
C
And pretty soon all the streets were ringing
F C G C
With the sound of the whole town laughing and singing

CHORUS
