

I've Just Seen a Face

F I've just seen a face, I can't forget the time or place where we just met, **D^m**

She's just the girl for me and I want all the world to see we've met, **B^b** **C** **F**
di-di-di-di'n'di.

F Had it been another day I might have looked the other way, and I'd have never been aware, **D^m**

but as it is I'll dream of her tonight, **B^b** **C** **F**
di-di-di-di'n'di.

Chorus:

C **B^b** **F** **B^b** **F**
Falling, yes I am falling, and she keeps calling me back again.

F I have never known the like of this, I've been alone and I have missed things and kept out of sight, **D^m**

But other girls were never quite like this, **B^b** **C** **F**
di-di-di-di'n'di.

Chorus:

C **B^b** **F** **B^b** **F**
Falling, yes I am falling, and she keeps calling me back again. (repeat)
