

Please Speak Well of Me *The Weepies*

C F | C F

C F C F
I've been away, a year and a day,

C F C F
You recognize love after the fact, You did what you did and that was that,

Em Am Em Am
Don't say words, that you don't mean,

F G | C F | C F
When I'm gone, please speak well of me,

C F C F
Looking back now, I only wish I had been kinder,

C F C F
Did I ever know love, did I ever know love? And could I have been blinder?

Em Am Em Am
Don't say words, that you don't mean,

F G | C F | C F
When I'm gone, please speak well of me,

Em Am Em Am
Don't hold back, all your love,

F G
for someday, for someday,

C F C F
I would say that I'm sorry, if it would do any good,

C F C F
But to never regret means you have to forget, and I don't think that I could,
